

# OUR VISION AND MISSION

## VISION

The IADC's vision is a world where all humans can live in freedom and without fear from violation of their dignity and receive the care they need and deserve.

## MISSION

The IADC researches and teaches the issues of dignity and care in an intercultural and interdisciplinary way, basing its approach on an anthropological view of human life from a Christian perspective. The Institute contributes to the development of a common model of a safer world, it raises awareness of the urgency of safeguarding, especially with regard to minors and vulnerable adults, and it prepares experts from all over the world to prevent abuse in any form.
